Multi-storeyed buildings along Bara Khamba Road

@2932. SHRI BHAGAT RAM MANHAR:

SHRI BIR BHADRA PRATAP SINGH:

SHRI DHULESHWAR MEENA:

Will the Minister of URBAN DEVELOPMENT be pleased to state:

(a) whether it is a fact that quite a few multi-storeyed buildings have been allowed to come up along Barakhamba Road and if so what are the details of civic measures adopted for the safety ad convenience of people working in these buildings as well as pedestrians and motorists frequenting Barakhamba Road;

(b) whether it is also a fact that some builders have been allowed by the New Delhi Municipal Committee (NDMC) to put up slightly-raised concrete platforms along a side-lane of Barakhamba Road and the same are being used as private parking lots by the builders in violation of the civic rules; and

@Previously unstarred Question 2513, transferred from the 16th August, 1988.

(c) whether Government propose to demolish these unauthorised parking structures and merge this land into the side lane to provide unhindered movement for the pedestrians?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT (SHRI DALBIR SINGH): (a) to (c) Multi-storyed buildings have been permitted on the Barakhamba Road. In the Buildings which were completed after June, 1983, it has been ensured that the respective builders obtain and submit No. Objection Certificate| Clearance from the Chief Fire Officer before occupation|completion Certificate is issued by the NDMC. At the time of sanctioning of the plans, the NDMC also ensures that the proposal is in confirmity with the provisions of the Building Bye-laws and adequate number of toilets/urinals, lifts, staircases etc. are provided for the convenience and safety of the users. Foot-path has been provided on both sides of the Road for uninterrupted movement of the pedesrians. For the convenience of motorists, a cental verge has been provided. Further, there is a programme to incease the Right of Way from the existing 120 ft. to 150 ft. so as to have open parking on both sides of the Road as given in the Development Control drawings of this area.

2. No Platform|structure has been allowed to come up in the Right of Way. Only at two places slopes in front of plots have been provided in the strip of land left by the plot owner for future expansion of Right of Way so as to utilise the area for development of open parking as provided in the Development Control drawings approved by the Government. The slopes at these two places shall be removed when the work for the development of parking lots is taken in hand by the NDMC, after getting shifted the compund walls of the remaining plots where the multistoreyed -buildings have not come up.
